

LEUSIO GIL

BIOGRAPHIES

WWW.LEUSIOGIL.COM

Leusio Artur Gil Manteiga is a musician and composer born in Maputo. His artistic work is rooted in African musical traditions and shaped by contemporary influences such as Jazz, focusing on rhythm, expression, and cultural experiences. Through live performances, original compositions, and collaborative projects, Leusio explores music as a shared human experience. He is also involved in educational and cultural initiatives, using music as a tool for intercultural exchange. In 2023, Leusio was involved in an exchange program in Brazil, marking an important moment in his international artistic journey.

OBRA LANÇADA:

2026-EP CLAMOR

Clamor brings traditional Afro sonorities blended with modern jazz elements. Through compositions that narrate exchange experiences, social critiques, festive moments and a touch of romanticism, the project also incorporates aspects of Mozambican traditions through selected folk songs. The audience will be invited to sing, dance and feel the energy of Mozambique through rich polyrhythms.
